M/MS Dave/Bret

Environmental Report - Jeff Stabnow

1. MN Legislature waiting for wake boat study of 200 feet offshore before any action is proposed.
3. Fisheries Report - Dave Franklin

Reference Dave's meeting with the OTC DNR on March 25, 2021. Dave submitted an excellent comprehensive report to the Board members.

DNR net survey showed poor results for walleye stocking efforts.

2020 walleye fingerling stocking number was 17,000.

CLA stocking restrictions are no longer in force.

Jim Wolters will attend the July annual CLA meeting.

4. Public Relations Bret Sorenson, Scott Early

Secretary Early has agreed to post CLA Board Meeting Minutes.

CLA board members were encouraged to submit items of interest to Megan Johnson for publication to the CLA Facebook page.

Last Clitherall Lake directory was published in 2016. Publishing an updated directory

was discussed with no decision/resolution. Mike Lipke will present a cost summary for the May board meeting of the 2016 directory.

5. Fundraising - Karla Grages

2021 budget was discussed and proposed to \$5,000.

M/MS Dean/Dick

Karla presented nice designs for sweatshirts to be available at the July meeting.

6. Beach Captains Report - Mike Allmann

Still need two beach captains.

Flyers in development for distribution prior to Memorial Day.

Road signs needed for distribution prior to the annual meeting.

Roger Wold will direct the July 4th boat parade.

7. New Business

Early ice out precluded completing and installing another nest.

Lake water testing, by RMB labs in DL, as part of a COLA initiative, paid in part by CLA dues.

Discussion of decontamination station.

Lake Steward Program deferred for more info from Scott Early.

Adjourn
